PROFILE

Results-driven Senior Shopify Developer and Frontend Team Lead with **6 years in full-stack development** and **5 years in commerce**. Skilled in Shopify theme development, headless storefronts, custom apps, GraphQL, React, Node.js, and performance optimization. Experienced in leading teams, building scalable web applications, and delivering high-conversion ecommerce experiences.

WORK EXPERIENCE

Senior Shopify Developer | Optiphoenix

May 2025 – Present

- Lead Shopify theme development using Liquid, JavaScript, GraphQL, and modern frontend practices for high-conversion storefronts.
- Build custom Shopify apps, Functions, extensions, and integrations for advanced business logic, automation, and third-party services.
- Develop headless commerce experiences with React, Next.js, Node.js, Storefront API, and GraphQL.
- Design A/B tests across product pages, cart, and checkout to improve conversion rate, AOV, and UX.
- Implement lazy loading, asset optimization, code splitting, DOM cleanup, and Core Web Vitals improvements.
- Conduct client discovery and translate business requirements into scalable production-ready solutions.

Web Designer Analyst | Acting Frontend Team Lead | MakkPress Technologies

Jan 2023 – May 2025

- Led a team of 7 developers, overseeing project execution, task delegation, code reviews, mentoring, and timely delivery.
- Worked across Shopify theme and app development, React, Node.js, REST APIs, migration tools, and CMS command-line interfaces.
- Ran client discussions, provided technical solutions, and contributed to speed optimization, UX improvements, and business growth.

Jr. Front End Developer | MakkPress Technologies

Jan 2022 – Jan 2023

- Built responsive interfaces using HTML, CSS, JavaScript, React, Redux, and Context API.
- Collaborated on CMS integrations, API implementations, UI/UX improvements, and frontend performance optimization.
- Customized Shopify, BigCommerce, and Wix themes and enhanced storefront experiences.

Web Designer | Mindreamers Pvt. Ltd.

Jul 2021 – Dec 2021

- Developed responsive web interfaces using HTML, CSS, JavaScript, jQuery, and AJAX.
- Improved UI/UX, cross-browser compatibility, and frontend performance with senior developers and designers.

Web Development Intern | AirCam Media Pvt. Ltd.

Feb 2021 – Apr 2021
